### **Trademark patent**

The Trademark papers have been submitted to the US Patent Trademark Office for final approval. We should receive notice in 4 to 6 weeks.

### **Sewing Buddies of Cumberland**

The Sewing Biddies of Cumberland have been working with Mary Jane Namola and have sewed some very nice shirts. We look forward to growing the ZipShirt ministry relationship with this awesome group of ladies.

### **Webpage development**

The webpage is now ready to take donations through PayPal. The Zipshirt ministry has been approved for charitable organization rates, which will save us .07% on each PayPal transaction. We are happy to receive this reduction in expenses and we are grateful to PayPal.

We will also enroll in the PayPal Charity Giving Fund. This fund expands the ministries network by sharing our mission with 100 million potential donors throughout PayPal and eBay. The PayPal Giving Fund accepts charitable donations and also makes grants to charitable organizations in furtherance of its charitable mission.

Please tell your friends and family about the ZipShirt ministry and how to make donations.
